# POLICE CALLED TO END WOMEN'S CRUSH AT SALE

Wealthy Benefactors of War Victims Swamped by Demand for Old Clothes—Bargain Hunters Pick Up Treasures, Some Only Slightly Worn.

MORE THAN \$40,000 GIVEN

A hurry call for the reserves came to the police station at 160 East Fifty-dealers—it had made a rule not to sell any customer more than two things.

But even at that some dealers got quite morning. Eight stalwart cops were sent around to 24 East Fifty-seventh street,

daughter of Mr. and Mrs. Charles B. Alexander, think when after a conference with her comembers of the junior committee of the American Ambulance Committee in Paris she sent out a call to the wealthy women of New York for their castoff clothes and later a few Miss Alexander saw much more than she liked of commercial leanings on the part of the crowd, as it was. "They don't come in the proper spirit." she complained once. "They don't seem to remember that we are doing this for charity, for the American Ambulance Hospital in Parls. However, anyway we are getting the money for the hospital.

Miss Alexander saw much more than two years, and he believes he has had in the hour day. The employers were told that failure to grant the demand would result in a general strike of the 18,000 committee in Paris she sent out a call to the wealthy women of New York for the Lamberton Ambulance Hospital in Parls. However, anyway we are getting the money for the hospital. cards to women not wealthy that bargains were to be had in stylish clothes but slightly worn—little did she think that the entire East Side and a part of every other section would turn out in response to her invitation. She confessed as much yesterday at the sale.

"We took in \$400 between 10 o'clock and 1 to-day. We decided to keep at it this afternoon and between 8 and 10 this evening and all day every day this week. Wednesday and Friday evenings the sale will be on too, but not Tuesday."

as much yesterday at the sale.

"Isn't it awful?" she said, peering down, through the window at the long lines of women, girls and children that stretched away from the doors in each directive least from heat from the doors in each young member of the younger set to do. direction, kept from breaking in at those
